Order Instituting Rulemaking on the  
Commission's Proposed Policies and Programs  
Governing Low-Income Assistance Programs.

Rulemaking 01-08-027  
(Filed August 23, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING REQUESTING  
COMMENTS ON ERRATA TO THE 2002 LOW-INCOME ENERGY  
EFFICIENCY WEATHERIZATION STANDARDS MANUAL**

On January 28, 2002, the Low-Income Energy Efficiency (LIEE) Standardization Project Team (project team) submitted errata to the 2002 Low-Income Energy Efficiency Weatherization Installation Standards Manuals prepared at the Commission's direction in Decision 01-12-020.

The project team consists of Pacific Gas & Electric Company, Southern California Edison Company, San Diego Gas & Electric Company, Southern California Gas Company and the project consultants: Regional Economic Research, Inc. and Richard Heath and Associates. Energy Division assists in coordinating the effort of the project team to develop recommendations for standardizing procedures and policies across the utilities with respect to low-income assistance programs.

In its January 28, 2002 filing, the project team states that it has identified a number of minor typographical and other non-substantive errors that should be corrected in the manuals before they can be considered final. Copies of the

manuals, with revisions noted, were served electronically and via U.S. mail to the parties on the service list in this proceeding.<sup>1</sup>

By today's ruling, interested parties may comment on the proposed revisions. Comments are due within 10 days from the date of this ruling, and replies are due 5 days thereafter. All comments shall be filed at the Commission's Docket Office and served electronically on all appearances and the state service list in this proceeding. Service by U.S. mail is optional, except that one hard copy shall be mailed to Judge Meg Gottstein at P.O. Box 210, Volcano, CA 95689. In addition, if there is no electronic mail address available, the electronic mail is returned to the sender, or the recipient informs the sender of an inability to open the document, the sender shall immediately arrange for alternate service (regular U.S. mail shall be the default, unless another means—such as overnight delivery—is mutually agreed upon). Parties that prefer a hard copy or electronic file in original format in order to prepare analysis and filings in this proceeding may request service in that form as well. The current service list for this proceeding is available on the Commission's web page, [www.cpuc.ca.gov](http://www.cpuc.ca.gov).

**IT IS SO RULED.**

Dated March 21, 2002, at San Francisco, California.
